## OWL Pay As You Go

### How it works:

- ✓ You inform your dealer you want to sign up for the Pay As You Go option
- ✓ If you don't already have a radio attached to your tank your dealer will install one
- ✓ Your dealer will track your usage each month through their web portal
- ✓ Your dealer will send you an invoice at the end of each month detailing your estimated propane usage
- ✓ When your dealer makes a fill-up, your actual cost will be calculated and your invoice will be adjusted accordingly

**It's that easy!**
